US HISTORY #4-THE QUAKERS, THE DUTCH, AND THE LADIES

Directions: While watching the video, fill in the blanks.

Pennsylvania	farmers	African	English	Americans
Quakers	male	Manhattan	British	colonial

- ☐ 1. The tale goes, the Dutch traders bought the island of _____ from Lenape Indians for \$24 in 1624, that isn't quite true, but it contains a truth.
- ☐ 2. Given by Charles II to this guy William Penn in 1681, _____ was a huge tract of land round about here.
- ☐ 3. _____ were a pretty tolerant bunch, except when it came to slavery which they opposed vehemently.
- ☐ 4. They tried to enslave the Indians and ship them to the Caribbean but when that didn't work out they began to import _____ slaves.
- ☐ 5. Bacon's rebellion is sometimes portrayed as an early example of lower-class artisans and would-be farmers rising up against the corrupt _____ elite.
- ☐ 6. And these new guys imposed the _____ Toleration Act of 1690, which decreed that all Protestants could worship freely.
- ☐ 7. Most colonists were _____, or worked on farms, and they were mostly small, unlike the giant plantations that predominated in the Caribbean.
- ☐ 8. Although _____ like to think of themselves as class-less, pun intended, that's not really the case.
- ☐ 9. _____ dominance was written into law and solidified in practice.
- ☐ 10. The _____ era often gets skipped for its lack of large-scale drama, but those small scale dramas can be found in abundance.
